FASSETT'S RAPID TRANSIT BILL

Reported Favorably in the Senate To-Day.

ALBANY, March 27. - The Senate Committot on Railroads this afternoon decided a sit bill, with many important amendments, while Mr. Ives's Rapid Transit bill will be reported adversely. The Fassett bill, as th Committee will report it, provides that there shall be a State Board of Rapid Tran Railroad Commissioners, to con four Republicans. They are to hold office diction over all cities having a population exceeding 100,000, and in all such cities, when the Board is considering rapid transis routes for such cities, the Mayor of the city shall be for the time being an ex-officio member of the Board. Six members shall

member of the B-ard. Six members shall constitute a quorum.
Upon the request of the Mayor, or of any 500 resident freeholders of any such city, such complexioners shall consider the question of establishing rapid transit roads in such city. They shall make out a plan for a road said they may lay out routes over, under or through all streets, avenues or lands in such cities, including blocks between streets, with the consent of the local anthorities and with the consent of one-half of the property-holders, or the determination of the Commissioners appointed by the Supreme Court in lieu of the consent of the property-holders.

the property-holders, or the determination of the Commissioners appointed by the 8m preme Court in lieu of the consent of the property-holders.

The public parks, grounds and buildings of any city, or of the Mate, or of the United States, are expressly exempted from the provisions of the act, as are also Fifth avenue, Fourth avenue and Broadway south of Thirty-hird street, in New York City, and every street or abenne now actually occupied by an elevated structure, except that it provides that the commission may locate railways under the surface of Broadway or Madison avenue in New York City or under any park by tunnel, and except that such routes may cross firoadway or any street or avenue now occupied by an elevated road.

The report of the Commissioners as to the routes and plans adopted shall be transmitted to the Common Council of the city, and such Common Council of the city, and such Common Council of the city, and such Common Council may suggest changes to be made in the routes and plans, and the Commissioners shall consider such singsestions and report again to the Common Council may suggestion, or not as the Commissioners may deem wise. Within four weeks after such plans and routes shall have been first transmitted to the Common Council, as final vote shall be deemed to have the consent of the local authorities, except that where in any city the exclusive control of a street included in the routes is vected in some other authority than the Common Council, the consent of the Lommon Council. After the consents of the local authorities and property-owners are obtained and the plans are prepared, this Commissioners shall sell at public authorities are divertisement, the right to construct and operate such rails ways.

The roads are to be constructed under the supervision of an eigencer appointed by the

right to construct and operate such railways.

The roads are to be constructed under the supervision of an engineer appointed by the Commissioners. Provisions are made for the organization of corporations to build the roads, for the acquiring of land and for the conferring on such corporations of the general powers that other railroads have. It also provides that other railroads have. It also provides that said Commissioners may allow any railway corporation owning or actually operating a road within the limits of any city in which they have power to act to lay additional tracks on a portion or the whole of its railway and to acquire terminal or other facilities on any street or place on which said railway shall be located.

The bill is not to affect or repeal the lapid Trunsit act of 1875, except so far as when said railway shall be located.

The bill is not to affect or repeal the
Rapid Transit act of 1875, except so far as
recards the appointment of commissioners,
and is not to affect right of surface roads
heretofore acquired or heretofore authorized to be acquired except as expressly provided in the bill.

THE WORK FOR PURITY.

Mrs. Grannis Celebrated It with Her Semi-Centennial.

In order to celebrate her semi-centennia in a way that would tend to the elevation of her sex, Mrs. E. B. Grannis, of No. 33 East Twenty-recond street, gave a "parlor meeting "last evening. The meeting was held in the interest of social purity and the general well-being of women, and Nas largely attended by men and women whose names are well known in evangelical work of this sort. Among the speakers were Rev. B F. De Costa, who was early in the evening elected Chairman of the occasion by Mrs. Crannis; Mrs. Francis T. Barnes, Rev. Dr.
A. H. Lewis, Rabbi Gottheil, Aaron Powell,
Arr. Crmiston Chant and Mrs. M. Louise
Thomas. Mrs. Grannis is a five-minute address clearly expressed the object of the
Society, which is known as the "Christian"

A Good Concert for Charity. A pleasing and successful concert for the benefit of the New York Diet Kitchen was held last evening at Chickering Hall. The An Impressive Example.

[From the Springfeld Republican.]

The great shoe industry of New England having been promptly and emphatically heard from, the sub-committee of the Wars and Means Committee, by a vote of 6 to 2, decides to strike off the proposed duty on hides. This case of cause and effect ought not to be lost on the wool en industry.

The Colored Brother's Worst Foe, [From the Samonach Neise.]

"Craps" is the favorite game of the Southern colored people, who are said to lose a good deal of money over it. If they would pay more attention to crops and less to craps they would be better off.

Heam for Investigation.

Heam for Investigation.

The concert neited several hundred dollars.

While the Legislative Committee is in-

A St. Patrick Club Home.

A special meeting of the officers and Ex-centive Committee of the St. Patrick's Club arranging for the establishment in this cisy of a permanent Irish Club, similar to those in Chicago, St. Louis and Roston. It is proposed to either erect or rent a bandsome club-house, and subscriptons of a large amount for the purpose have been already received from more than 400 Irish-Americans of this city. The membership of the Club will not be limited for the present and a meeting will be called soon of all persons interested in the project.

Mr. Sage's Road in Danger.

Bosros. March 27.—The Heraid's St. John special says there was great excitement there yester-lay over the rumor that the Shore Line Bailway, owned by Russell Sage, and others, of New York, was to be setted for sungains. J. D. Bonness, the Hommion Customs officer, says sungaing had been carried on when the road was anown as the Grand Southern, and he was to juverigate the information which had been fall against the Company. If certain charges were substantiated the robbins attack of the road would be head flable.
